Use this template to prepare artwork for your BEBCO order. Open this document with Adobe Illustrator (version CS or higher). Open the Layers pallet (F7) and select layer titled "Imprint Art". Position your artwork on the template in the imprint area. Now select the "Info" layer, add your company name and imprint colors where noted and save. You are now ready to attach to an email addressed to DAD@bebco.com. For more detailed instructions on the use of this template and how to submit, visit DAD online at www.bebco.com

PHANTOMS - 5-10% tints work best in most situations. Text may become illegible when printed as a phantom.

Please convert all type to outlines to avoid potential font issues. Note that if we are to make type corrections that we will need you to supply the original font files.

Check the [General Information](#) section of our website for more information on artwork preparation.
